**Deadline to apply: February 15, 2022**

Thank you for your interest in helping animals through serving on the board of directors for Las Vegas Valley Humane Society (LVVHS).

The LVVHS Nominating Committee is conducting a search for individuals to serve on the board of directors. The information below explains the goals and process for this search and the appointment of new board members.

Humane Network is assisting LVVHS with this recruitment effort. If you have any questions, please reach out to Diane Blankenburg by emailing [info@humanenetwork.org](mailto:info@humanenetwork.org).

### **About LVVHS**

LVVHS is a non-profit 501(c)(3) corporation established according to Nevada laws for public benefit. It is dedicated to improving the welfare of animals. Its articles of incorporation detail the primary purpose of the organization as follows:

- The prevention of cruelty to animals.
- The relief of suffering among animals.
- Reducing the over-breeding of domestic animals - primarily cats and dogs - through public education and sterilization programs.
- Protecting endangered wildlife.

The LVVHS's primary emphasis is on stray and abandoned animals. Part of our efforts is to reduce animal overpopulation primarily through our trap-vaccinate-neuter-and-return-to-caretaker program for feral cats (the largest overpopulation problem) at no cost to the caretaker. LVVHS also supports spay/neuter services for both dogs and cats for people needing some assistance (or having a complete inability to pay) as well as abandoned animals as part of their adoption program.

### **About the Board of Directors**

The board of directors is tasked with:

- Participating in a strategic planning process and overseeing the implementation of that plan. It is essential that the plan include strategies to ensure the financial wellbeing of the organization into the future, as well as the implementation of best practices in all aspects of the work and management of the organization.
- Maintaining a committed and skilled board of directors and a dedicated and determined CEO who work together to identify and meet emerging community needs.

Serving on the LVVHS Board of Directors is only one of several meaningful ways to get involved with the organization and support animals. In addition to a commitment to helping animals, board members are expected to participate in ensuring that adequate financial resources are available for the organization to do its work and that it becomes financially sustainable. This includes making personal contributions as well as helping with fundraising in a meaningful way.

## **Recruitment and Selection Process**

The board recruitment and selection process is a planned effort with specific steps designed to help ensure the organization attracts and maintains a high level of volunteer leadership.

The board member recruitment and selection process is as follows:

- The nominating committee has defined the needs and selection criteria for board members – laid out in this document.
- The committee will promote the opportunity broadly to the public as well as recruitment through other contacts in the community.
- Candidates will submit responses to questions in the board application by [info@humanenetwork.org](mailto:info@humanenetwork.org) with *LVVHS Board Application* in the subject line.
- Applicants will receive a prompt email response when applications are received followed by an update on their application's status within four weeks.
- The nominating committee will review each application to see if the candidate's skills match the pre-determined criteria and the organization's need for varied skills and experiences on the board.
- Applicants who are identified as candidates will be asked to participate in a phone interview.
- Top candidates selected through the phone interviews may be asked to meet in person with the committee members.
- Selected board members will be required to sign the LVVHS board contract and conflict-of-interest policy.
- Applicants who are not selected for board service may be asked to assist LVVHS in other ways.
