

Kelley Bollen, MS, CABC
Certified Animal Behavior Consultant
Director of Alive & Thriving
Cat Behavior Lectures

The below lectures are available live (virtually for now) or in recorded form

For Animal Welfare Organizations:

- Reading cat body language and safe humane handling
- Stress recognition and reduction for shelter cats
- Enrichment for shelter cats
- Behavior assessments for shelter cats
- Training and behavior modification for shelter cats
- Addressing common problematic behaviors in cats to reduce surrender

For Veterinary Professionals

- Reading cat body language and safe humane handling
- Stress reduction for cats in the veterinary clinic
- Resolving common problematic behaviors in cats

For the Cat-loving Public

- The amazingness of our feline friends
- Why does my cat do that and how do I get her to stop?
- Enrichment for cats
